Subject: Acceptance of the International Project – Letters Across Border

Dear Friends in Rotaract,
Warm greetings and heartfelt wishes from the land of the Himalayas!
We were delighted to receive your club's Introductory Profile. On behalf of the Rotaract Club of Gokarneshwor (RID 3292, Nepal), I extend our sincere gratitude for taking the initiative to reach across borders and connect with us.

As we transcend these geographic boundaries, it brings us immense joy to connect with our fellow Rotaractors in Türkiye. This partnership marks the beginning of a vibrant international fellowship, one rooted in shared values, mutual learning, and a collective commitment to serving our global community.

We look forward to exchanging ideas, sharing our rich cultural heritages, and exploring meaningful avenues for collaboration, be it through interactive virtual sessions, joint service initiatives, or cultural exchange programs. To mark the start of this journey, we are pleased to share our official letterhead and our Club's Introductory Profile.

May this connection flourish into a lasting friendship and yield impactful action in the days ahead.

Together, let us connect, collaborate, and serve.

Yours in Rotaract Fellowship,
Rotaract Club of Gokarneshwor
